INSTRUCTIONS: (Please complete each section as it relates to your farm)

State law requires the Assessor to discover, list, and value all taxable personal property within their county each year. The purpose of this listing is to obtain a record of the personal property you own, have in your possession or control, and use in your farming business as of January 1, 2009.

An assessed value will be determined from this listing. You will then be sent a Valuation Notice ("Taxpayer Copy") to keep for your records, stating the assessed value.

The 2009 assessed value is the basis for the 2010 tax bill. The 2010 tax bill (based on the 2009 assessed value) will be mailed in February 2010 by the Treasurer's office.

Your assessed value may be appealed to the Board of Equalization within 60 days of the mailing date on the Valuation Notice or by July 1, 2009, whichever is later.

Taxable personal property includes any furniture, fixtures, machinery, and equipment used in your farming business (except for licensed motor vehicles primarily designed for use on public streets).

If you filed a listing before, a list of the assets previously reported is attached. Cross out any assets that you no longer own, add any missing assets, and correct any errors. If there is no listing attached, please attach a separate listing, showing all currently owned assets. List each asset at 100% of its cost, including trade-in-value if applicable. Include as part of the asset cost any associated freight and installation cost, and exclude any sales tax.

NON-INVENTORY SUPPLIES

Supplies and materials which do not become ingredients or components of articles produced for sale are assessable personal property and **MUST BE REPORTED**. Report the cost of all assessable supplies as of January 1, 2009. Examples include, but are not limited to: office, shop, and maintenance supplies; medical and dental supplies; spare parts; fuel reserves; retail packaging and merchandising materials; and expensed assets not reported in a different schedule. Do not include inventory held for resale.

Cost of supplies on hand January 1, 2009: \$ _____ **OR** Prior year's expenses divided by 12: \$ _____

FARM MACHINERY EQUIPMENT EXEMPTION

Per RCW 84.36.630, certain farm machinery and equipment owned by a farmer may be exempt from the state portion of the personal property taxes. Conditions for exemption are detailed on the "Application for Exemption of Farm Machinery and Equipment." For existing listed assets, please check the "STATE EXEMPT" box for each asset that you claim is eligible for exemption. For assets not listed, please list them under the "Personal Property Claimed" portion of the attached application for "Exemption of Farm Machinery and Equipment."

You must complete and return both this listing and the enclosed application by April 30, 2009, to claim this exemption and avoid late filing penalties.

HEAD OF FAMILY EXEMPTION

You must complete the rest of the listing form even if you claim this exemption.

An exemption is granted to sole proprietors of the listed personal property who are the head of a family **OR** a surviving spouse **OR** over 65 and a 10-year Washington resident. Only one exemption is allowed statewide. This exemption is not allowed to partnerships, LLC's, or other corporations.

This exemption must be applied for each year.

Do you meet the qualifications for the head of family exemption for this account?
